Area of Expertise (100 words)

My area of expertise lies in the field of social work, with a focus on child welfare, institutional care, and social interventions. I possess a comprehensive understanding of the theories and practices involved in working with vulnerable groups, particularly at-risk youth. My work integrates a deep knowledge of social structures, behaviour patterns, and welfare systems. I specialize in evaluating and enhancing institutional care systems, advocating for improved policies, and developing effective interventions to support marginalized children and adolescents, ensuring their rehabilitation and reintegration into society. My research also emphasizes the critical role of social work in child protection and empowerment.
