Area of Expertise (100 words)			
My area of expertise in entrepreneurship includes business idea generation, startup development, and strategic planning. I specialize in helping aspiring entrepreneurs identify viable opportunities, conduct market research, and create effective business models. I am well-versed in business planning, funding			

strategies, and the development of pitch decks for investors. My knowledge also extends to innovation management, entrepreneurial behavior, risk assessment, and navigating legal and regulatory frameworks. I provide guidance on scaling businesses, managing resources efficiently, and fostering leadership in startup environments. My experience spans both traditional and tech-based ventures, supporting growth through mentorship, continuous learning, and evidence-based decision-making.
