COMMENTS AND RECOMMENDATIONS

- Thesis is recommended for the Yes/~~No~~ Award of Ph.D. degree Yes
The thesis accepted for award for Ph.D. degree must comply with the following conditions:
(a) It must be a piece of research work characterized either by the discovery of the facts or by a fresh approach towards the interpretation of facts. In either case it should evince the candidate's capacity for critical examination and sound judgment.
(b) It must be satisfactory in point of language and presentation of the subject matter.
- The thesis be revised on the Lines N.A.
Detailed below Nil
- The thesis be rejected No (Please write Yes/No, as the case may be)

The scholar presented his work in open viva voce examination in front of examiners, University officials and others through power point presentation. Based on recommendation of two examiners, satisfactory defence of work in the examination and satisfactory answer of all queries raised by myself and short questions raised by other examiner, I recommend for the award of Ph.D. in mathematics to Mr. Sanjay Kumar Bisen.
