

Director

### **Profile**

Competent and versatile Clinical Geneticist, guided dissertations to Clinicians and non Clinicians & medicos & non medicos, with eleven years of laboratory diagnostic and academic experience in India and overseas. Possesses a sound working knowledge of wide variety of laboratory techniques. Managerial experience includes assisting with all aspects of career development of scientists, whilst also ensuring that the laboratory operates effectively. To screen & provide genetic counseling to Medallion as well as multi factorial genetic disorders.

### **Academic Background**

- **Ph.D. in Genetics 2007 from BU, Madhya Pradesh. India**
- **M.Sc. life science with specialization in Cytology (68%) 2002 from BU, Madhya Pradesh ,India**

Over eleven year clinical & epidemiological research experience and eight year teaching experience, other key competencies include resource, extensive reporting in field of Mendelian genetics disorder like haemoglobinopathies and other multifactorial genetic disorder like Diabetes, Cancer etc. Provided genetic counseling to 4000 patients and clinical research training to fifteen Clinicians and non Clinicians for dissertation & thesis work.

### **Field of Specialization:**

Medical Biotechnology, Hemoglobinopathies, Molecular, Cyto Genetics and trace elements.

### **Students guided for Ph.D./Dissertation/Hands on training**

- Eight students of Ph.D.
- Twenty three student in Dissertation.
- Forty five hands on training

### **Employment History**

- Director, Project Implementation, RKDF University, Bhopal (M.P.) from 26.07.14 till to date.
- County Chapter Chair person of AUAP (Association of University of Asia and the Pacific) in India from 1.06.2014. till to date.

- Co-ordinator of Thalassemia International Federation in Madhya Pradesh, India from 26.05.14 till to date.
- Chairman ,Institutional Ethics Committee (IEC) of RKDF Medical College & Research Center, Jatkhedhi, Bhopal (M.P.) from 21.10.13 till to date.
- Guest faculty of Department of Genetics, Barkatullah University , Bhopal (M.P.) from 22.7.12. to 21.07.13.
- Dean ,faculty of Science RKDF University, Bhopal on dated 18.05.12. till to date.
- Associate Professor & Head, Dept. of Biotechnology , RKDF University, Bhopal on dated 18.05.12. till to date.
- Worked as a Technical Advisor to Chairman of Peoples Group, Bhopal (M.P.) from 29.06.10 to 17.05.12.
- Worked as a “Project coordinator” of remediation of UCIL area poisoned by leak of MIC gas 27 year back , Peoples Group, Bhopal (M.P.) from 29.06.10 to 17.05.12.
- Worked as “Clinical Geneticist cum Scientist In-charge ” of Human Genetic Lab in Center for Scientific Research & Development , Peoples University, Bhopal from 10.12.07 to 17.05.12.
- Worked as “Business Development Officer” of Delta RIA Pathology Lab Pvt.Ltd., Bhopal (M.P.) from 11.01.01 to 09.12.07.
- Worked as “Public Relation Officer” of Shree Imuno Diagnostic, Indore (M.P.) from 10.07.2000 to 10.01.01

#### Awards

- Got outstanding personality award of year 2008 in field of Thalassaemia in Central India from Janparisad Nov. 2009.

#### Fellowships

- Research fellowship from Thalassaemia International Federation (TIF), Nicosia, Cyprus in 2005.
- Research fellowship from Christian Medical College (CMC),Vellore Oct. 3<sup>rd</sup> to Oct. 28<sup>th</sup> 2005.

#### Workshops/Conferences/Symposiums

- Attended CME program on “Continuing Medical Education on Frontiers in Management of Thalassemia” on dated 31<sup>st</sup> August 2014 at Sri Aurobindo Medical College & PG Institute, Indore (M.P.) India.
- AUAP-SIAS International Conference and 15<sup>th</sup> SIAS Anniversary on “**Innovation and Research Programs: The Key to Rapid Development in Asia and the Pacific**” 28<sup>th</sup> -31<sup>st</sup> May 2014.
- Co-Chairperson in National Seminar on **Innovations in Science and Technology for Inclusive Development** at M.P. Council of Science Technology, Nehru Nagar Bhopal on dated 27<sup>th</sup> March, 2014.
- Workshop on **Metabolomics** - Applications and Challenges organized by Institute of Bioinformatics, Bangalore and Agilent Technologies at Institute of Bioinformatics, Unit 1, Discoverer, 7th Floor, ITPB, Whitefield Road, Bangalore on dated 15<sup>th</sup> March 2014.
- Science Academics Lecture Workshop on “**Interdisciplinary Science & Modern Biology**” organized by

M.K.Ponda college of Business & Management, Bhopal from dated 14<sup>th</sup>- 15<sup>th</sup> Feb 2014.

- Delivered lecture on **“Advances in Human Genetics”** in Workshop on Few techniques use in biotechnology & Life Sciences at Sant Hirdaram Girls college, Bairagarh on dated 12<sup>th</sup> Feb 2014.
- Attended national seminar on **“Ethical Leadership”** on dated 8<sup>th</sup> Feb 2014 in Bhopal.
- Delivered lecture in National Symposium and Hands on workshop on **Advanced laboratory practice in Molecular and Forensic Medicine** on dated 16th-20th Dec. 2013 at Indore (M.P.).
- Organizing Secretary in a Symposium on **"Innovation in Science & Technology for Inclusive Development"** which was organized with Indian Science Congress on dated 14th Dec . 2013 at Bhopal (M.P.).
- Delivered lecture in faculty development programme sponsored by All India Council for Technical Education (AICTE), New Delhi on the theme **‘Recent Trends and Future Perspectives in Novel Drug Delivery System’** on dated 11 to 18 Nov. 2013.
- Participated as Coordinator of International Workshop at Bhopal, organized by Thalassemia international Federation on **“Promotion of thalassaemia and sickle cell disease on State and Central Health agendas:- Strengthening of involvement and contribution of the patients/parents associations”** dated 19<sup>th</sup> Sep. 2013.
- Guest Speaker in International Work shop at Mumbai ,organized by Thalassemia international Federation on. **“Current Status of thalassemia in Madhya Pradesh”**dated 18<sup>th</sup> & 19<sup>th</sup> May 2013.
- International Conference on Development & Prosperity of Nation through Young Minds at Bhopal (M.P.)India;Dec.12<sup>th</sup>-13<sup>th</sup> 2012.
- Guest Speaker in 5<sup>th</sup> International Conference on thalassaemia at New Delhi,India; Nov.24<sup>th</sup>-25<sup>th</sup> 2012.
- Guest Speaker in National Seminar on Science for Shaping the future of India under the auspices of The Indian Science Congress Association at Bhopal; Oct.30-31,2012
- Jury member in International conference in Goa **“Pharmacovigilance And Clinical Research-Regulatory & Ethical Concerns Around The Globe”** as local organizer committee and cheered a scientific session at Goa in Feb.26<sup>th</sup>-27<sup>th</sup>,2011.
- Guest speaker in international conference on Recent Advances in Clinical Research organized by Pharmanext and Searpharm,. Jaipure Rajasthan, September 20<sup>th</sup>, 2010
- Guest Speaker in National Conference on ‘Drug Discovery, Development & Clinical trials: Current status and the way forwards’ Solan, Himachal Pradesh. on June 26<sup>th</sup> – 27<sup>th</sup>, 2010.
- XVth National CME in Haematology at Bombay Hospital, Mumbai on Jan 13<sup>th</sup> -16<sup>th</sup> 2010.
- Workshop on **"Ethical Clinical Research in Institutional setting"** at Gandhi Medical College, Bhopal, (M.P.) Oct. on 3<sup>rd</sup> 2009.
- Workshop on **“A better understanding of haemoglobinopathies & thalassaemia on the Bio-Rad analyzers”** organized by Bio-Rad laboratories held at Hyatt Regency, Kalkata on March 14<sup>th</sup> 2009.
- Human Genome Meeting 2008 on dated Sept. 27<sup>th</sup>-30<sup>th</sup> 2008 at Hyderabad.
- International conference on Sickle Cell Disease and other Sickling Syndromes at Regional Haemoglobinopathy Detection and Management Centre, Indira Gandhi Medical College, Nagpur, Maharastra from Feb. 26<sup>th</sup>-29<sup>th</sup> 2004.

- 3<sup>rd</sup> international conference on thalassaemia from at Thalasseemics India, New Delhi from Nov.5<sup>th</sup> -7<sup>th</sup> 2004.

#### Trainings

- Short term training program on “Bioinformatics for Biologists” at Maulana Azad National Institute of Technology .Bhopal (M.P.) from March. 18<sup>th</sup>-22<sup>nd</sup> 2013.
- Trained in Cytogenetics under gone a short-term in vitro culture of Human Lymphocytes, G-banding of Human metaphase chromosomes & Karyotyping of Human chromosome at Human Genetic Research cum Counseling Centre University of Jammu, J & K from Feb. 19<sup>th</sup> -21<sup>st</sup> 2008.
- Trained in DNA extraction, Screening, Molecular Analysis and Genetic Counseling from TIF, Cyprus ; 12<sup>th</sup> Sep. to 27<sup>th</sup> Sep. 2005.
- Trained in molecular diagnosis of Thalassaemia, in techniques such as DNA extraction, PCR and Reverse dot blot analysis and also observed the mutation detection in beta globin gene by Temporal temperature gradient electrophoresis, Alpha thalassaemia genetic diagnosis and DNA sequencing at Christian Medical College (CMC),Vellore from Oct. 3<sup>rd</sup> to 28<sup>th</sup> 2005.
- Trained in molecular genetic techniques like Isolation of DNA, ARMS PCR, Gel electrophoresis. Trained in techniques of Lymphocyte culture, Karyotyping from Human metaphase plate at Human Genetic Research and Counselling Centre ,Jammu , J & K Aug. 8<sup>th</sup> -13<sup>th</sup> 2005.
- Trained in Cytology and electrophoresis for detection of haemoglobinopathies in Delta RIA pathology Lab Pvt. Ltd., Bhopal,( M P) from 1<sup>st</sup> Dec. to 31<sup>st</sup> May 2003.

#### **Books:**

- Status of Union Carbide India Ltd Bhopal after 27 years of Gas tragedy. Effects of hazardous chemical on Human Health Dangi C.B.S., Vijaywargia Mega, Singh Hardev. Lambert academic publishing; ISBN 978-3-8454-1693-9 . (2011)
- Correlation & Evaluation of HbA1c in IDA. lambert academic publishing Dangi C.B.S., Kaur Manpreet.Lambert academic publishing; ISBN 978-3-8443-9486-3.(2011)
- Epidemiology of Thalassaemic Patients Dangi C.B.S. Lambert academic publishing ;ISBN 978-3-8383-2765-5 .(2010)

#### **Patent : submitted in IPR**

- A process for the preparation of DNA from Thalassaemics blood and cost-effective and sensitive kit thereof. Jan 2010. Patent number 360/MUM/2010.(in process).

#### **Foreign Visits**

Cyprus, Muscat, Bahrain ,Nepal, Singapore, China

#### **Membership/Fellowship of Professional Societies/Associations:**

- Scientific Advisor of Heuriskein DNA Diagnostics & Research Centre ,Bhopal (M.P.).
- Regional Committee Chairperson of **Association of University of Asian Pacific's** (AUAP's) in India.
- Chairman of Examination committee of Science Division of **RKDF University** ,Bhopal (M.P.).
- Chairman, Institutional Ethical Committee (IEC) of **RKDF Medical College & Research Center**, Bhopal (M.P.).
- Member, Academic Council, **Peoples University**, Bhopal (M.P.).

- Coordinator of M.P. **Thalassemia International Federation** ,Cyprus.
- Scientific Advisor of **Global Research & WS**, Bhopal (M.P.)
- Member of Institutional Ethical Committee of **Centre for Scientific Research Center**, Peoples University, Bhopal (M.P.)
- Life member of **India World Foundation**, Delhi.
- Member, “**Thalassaemic India**” Delhi.
- Member, “**The Indian Science Congress Association**” Kolkata, India.
- Member, **Indian Society of Human Genetics**.
- Scientific member of ‘**India’s 1<sup>st</sup> Bi-lingual News portal on Governance**’, Delhi.
- Board member of **palpalindia.com**, Jabalpur (M.P.).
- Member, HGOM (**Human Genome Organisation**). Membership No.-HUGO-00998. Singapore.
- Member, ‘**Thalassaemia International Federation**’ (TIF),Cyprus.

#### Major academic /other achievements:

- o Exam Superintendent of RKDF University, Bhopal (M.P.).
- o Committee Member for “Deciding the cases of Unfair means during examination” in RKDF University, Bhopal (M.P.).
- o Member of “International Collaboration Cell” of RKDF University, Bhopal (M.P.).
- o Director “Project Implementation”, RKDF University, Bhopal (M.P.).
- o Paper Moderator in RKDF University, Bhopal (M.P.).
- o Member of Flying Scud , RKDF University, Bhopal (M.P.).
- o Reviewer of Springer Journal.
- o Chairman of Examination committee of Science Division of RKDF University , Bhopal (M.P.).
- o Technical Advisor to Chairman of Peoples Group,Bhopal (M.P.).
- o Coordinator of UCIL project, Peoples University, Bhopal (M.P.)
- o Member, Academic Council, **Peoples University, Bhopal (M.P.)**.
- o Member of Board of studies of Peoples University, Bhopal (M.P.).

#### Miscellaneous

- Organizing International Conference On Emerging Knowledge In Clinical Genetics And Genomic Medicine” organized by RKDF University, Bhopal and sponsored by M.P.Council of Science & Technology. 17-18 Dec 2014.
- Reviewer of Springer Journals Editorial Office Indian Journal of Hematology and Blood Transfusion,2014.
- Organizing member in seminar on Ethical Leadership on 8<sup>th</sup> Feb2014 in RKDF University, Bhopal (M.P.).
- Coordinator of 1<sup>st</sup> capacity Building Workshop on thalassemia in Bhopal, Madhya Pradesh on behalf of Thalassemia international Federation, 2013.

- Establish Departments(Biotechnology, Microbiology, Zoology, Botany, Food Science & Technology, Environmental Science, Chemistry, Physics) in RKDF University, Bhopal(M.P.) in May 2012.
- Invited by Director of Indian Red Cross Society, New Delhi for meeting and genetic counseling for thalassaemics, 1-3 Sep. 2011.
- Delivered lecture on Genetic Impact on Human Health due to methyl isocyanate and other pesticides to Health science graduate students at the centre of Health research and International relation, Nobel College , Pokhran University Nepal, 16<sup>th</sup> May 2011.
- Clinical camps for evaluating the health status of methyl isocyanate affected people and to assess hematological disorder and cytogenetically disorders. First camp in 6<sup>th</sup> Aug 2010 till to date
- Mass screening of thalassemia camp at Gufa mandir Bhopal 9<sup>th</sup> Jan 2010.
- Establish **Thalassaemia Surveillance Cell & Research Centre** on dated 03 March 2009 at People's Hospital, Barasia road, Bhopal.
- Organized mass screening camp of Thalassaemia and other haemoglobinopathies for School going children's & employee of People's Group at PG Hospital, Barasia road, Bhopal on dated 11<sup>th</sup> Nov., 2008.
- Establish & complete setup for Human Genetic Lab.(Molecular & Cytogenetics) in *Centre for Scientific Research & Development* (CSRD) , which was inaugurated by **Hon'ble President of India HE Smt Pratibha Deviji Singh Patil** (President of India) on dated 29 June 08 at People's Group, Bhopal (M.P.).
- Identified five Beta-thalasseemics mutations in Central India are: IVS-1 nt (5) (G→C), Cap site +1 (A → C), 619 bp deletion, IVS-1 nt (1) (G → T) and -88 (C → T) in Thalassaemics in population of Bhopal in 2006.

| 1.       | Sarvjanik Jankalyan parmarthik Nyas | R&D        | Genetic epidemiology of structural mutation in                                                          | 2008             | 4 year   | R 35,00000/-      | Completed                  |
| 2.       | Sarvjanik Jankalyan parmarthik Nyas | R&D        | Haemoglobinopathy analysis in patients with suspected                                                   | 2008             | 3 year   | R 19,00000/-      | Completed                  |
| 3.       | Sarvjanik Jankalyan parmarthik Nyas | R&D        | Estimate of high risk cytogenetic markers in oral                                                       | 2008             | 1 year   | R 1,50,000/-      | Completed                  |
| 4.       | Sarvjanik Jankalyan parmarthik Nyas | R&D        | Genetic polymorphism in oral pre-cancer and oral cancer –Study of centromeric heterochromatin region of | 2009             | 1 Year   | R 1,00000/-       | Completed                  |

|     |                                        |           |                                                                                 |      |          |                 |                     |
|-----|----------------------------------------|-----------|---------------------------------------------------------------------------------|------|----------|-----------------|---------------------|
| 5.  | Sarvjanik Jankalyan<br>parmarthik Nyas | R&D       | Delineate relation of biochemical marker Uric Acid (UA) in Type II              | 2010 | 1 Year   | R 90,000/-      | Completed           |
| 6.  | Sarvjanik Jankalyan<br>parmarthik Nyas | R&D       | Hazardious effects of UCIL(Union Carbide India Ltd.) dumped Chemicals on        | 2010 | 1 Year   | R 8,00,000/-    | Completed           |
| 7.  | Sarvjanik Jankalyan<br>parmarthik Nyas | R&D       | The Effect of Diabetes on Immune Cells:Lymphocytes Chromosomal Changes and      | 2010 | 1 Year   | R 1,20,000/-    | Completed           |
| 8.  | Sarvjanik Jankalyan<br>parmarthik Nyas | R&D       | Determine the ratio of copper zinc in haemoglobinopathies.                      | 2010 | 4 Year   | R 4,00,000/-    | Completed           |
| 9.  | Sarvjanik Jankalyan<br>parmarthik Nyas | R&D       | New Drugs for haemoglobinopathies( sickle & thalassaemia)                       | 2011 | 2 year   | R 1,80,000/-    | Completed           |
| 10. | Madhya Pradesh Council of              | works hop | Hands on training in molecular analysis of Haemoglobinopathies.                 | 2014 | One week | Rs.50,000/-     | Completed           |
| 11. | Madhya Pradesh                         | R&D       | Evaluate the role of genetic modifiers genes in beta                            | 2014 | 3 Year   | Rs.1453000/-    | Ongoing             |
| 12. | Madhya Pradesh                         | R&D       | Emerging knowledge in Clinical Genetic and Genomic Medicine                     | 2014 | 2days    | Rs.250000/-     | Ongoing             |
| 13. | DBT,Delhi                              | R&D       | Analysis of SNP'S and genetic modifier in beta thalassaemia in tribes of India  | 2014 | 3 year   | Rs. 54,58,000/- | Under Consideration |
| 14. | ICMR, Delhi                            | R&D       | Role of insulin sensitizer & beta islet cell for management of diabetes type II | 2014 | 3 Year   | Rs. 44,00,000/- | Under Consideration |

**Personal Detail:**

Permanent Address : 36-Panchwati Colony, Airport Road  
Bhopal,(M.P.)

Fathers Name: Shri M.S Dangi

Mothers Name: Smt.Triveni Singh Dangi

Date of Birth: 5<sup>th</sup> Jan 1978

Signature
